

Inloggen en werken met Exact Online?

Ga naar <https://start.exactonline.nl> en vul je log-in gegevens in (zie het gele vak hieronder).

NB: de precieze afbeelding en lay out van deze pagina kan wisselen.

The screenshot shows the login page of Exact Online. The browser address bar displays 'start.exactonline.nl/docs/Login.aspx?ReturnUrl=%2fdocs%2fMenuPortal.aspx'. The page features the 'exact' logo in red and a language dropdown set to 'Nederlands'. On the left, there is a purple vertical bar and the text 'Virtuele Demodag' in red and black, followed by 'Haal alles uit je Exact Software' and the dates 'Dinsdag 8 maart & woensdag 16 maart'. Below this, it says 'Ga naar: exact.com/nl/evenementen/demodag'. The main login area contains a text input field with 'Ink 1', a blue 'Volgende' button, and a link for 'Wachtwoord vergeten?'. Below the login form are buttons for 'Ontdek het op Google Play' and 'Download in de App Store'. A yellow box highlights the login form, and a yellow arrow points to the 'Wachtwoord vergeten?' link. On the right, there is a photo of a man with glasses and a suit, surrounded by red hand-drawn icons representing business and technology.

Ben je je **wachtwoord vergeten**? Klik dan op de link bij de gele pijl.
